Dear Herman

Thank you very much for the fine Christmas card with the photograph of Billy. I am sure that I should enjoy knowing him. He looks like a real boy.

I think you will be interested in knowing that during the growing season, Mrs. Hoinville's grave is always covered with blooming plants and just before Thanksgiving I placed a wreath on her grave.

Wishing you a Merry Christmas and a Happy New Year, I remain

Cordially yours

W. C. Simons
