Dear Ellie:-

Am writing you to say
the people who offered me
Ten Thousand for the place
have had a little argument
regarding locating in KC
— the man wishes to return
to Tulsa and the woman
wishes to remain here.

They left for Oklahoma this
last week but expect to return
before Oct 15 and the Agent
thinks they will buy our
place upon their return.

Have advertised the place
in Tri-Sat and today's paper
and hope to find a buyer.

If I fail will have
to make some other arrangements
