

November 15, 1948

Doctor John Ise
School of Business
Kansas University
Lawrence, Kansas

Dear John:

Thank you for your good letter of recent date. It is true that Mrs. Simons and I have always been interested in you and in your welfare.

The cards were seemingly stacked against you, and you have overcome many many difficulties.

I appreciate your friendship and trust that your future will be kind to you.

Cordially yours

W. C. Simons
