Mrs. Jeannette Still Freienmuth  
Monte Vista,  
Colorado

Dear Mrs. Freienmuth:

Although it was many years ago that you attended Mrs. Simons, we have always remembered you and your kindness toward her. You may be surprised to know that we frequently spoke of you and always wished you well. The last we knew of your whereabouts was when you lived somewhere north of Tongonoxie.

Tomorrow will mark the end of the first month that has passed since Mrs. Simons left us. Everyone has been kind and helpful, but it is very hard to give her up after so many years of happy married life. The 14th of November marked the 54th anniversary of our wedding.

Thank you for your note and with kindest regards,  
I remain

Sincerely yours

W. C. Simons
