Professor L. D. Havenhill  
1539 Vermont Street  
Lawrence, Kansas

Dear Professor Havenhill:

Mrs. Simons asked me to write you expressing our very deep and sincere sympathy in the passing of your good wife.

We both knew her well and appreciated her many fine qualities. She was brave under misfortune and, unquestionably, was a beautiful and understanding wife.

You have our love and sympathy and that is about all that any of us can give at a time like this.

Cordially and sincerely

W. C. Simons
