Dear Bellie:-

Your little note with check  
for \$400.00 received this morning  
upon my arrival at office.

Yesterday I received  
notice Citizens Trust Co. of Ind.  
did not open for business  
July 31 and was in charge  
of Deputy Bank Commissioner.

I phoned the Cashier's wife and  
made arrangements to talk  
to her and Miss Harrow the  
evening between the arrival of  
the Midnight Train and the  
train that leaves there for  
K.C. at 2:05 A.M. so left  
here at 6 P.M. yesterday  
and arrived back in K.C.
