Dear Corbie & Gertude,

Your note this morning was
quite a relief. I have wondered & wondered about
Gertude. Glad every thing is as you say.
I hope acid peepsake may never come.

I saw an idiotic funny get well
card last week - but did not have the nerve
to get it and send it. It might have given
her a laugh & then again it might have
made her mad, altho I don't know that
I have ever seen Gertude that way. And I might
say I have never seen you ^{collier} those you type
Those are some of the things I have often
bragged about to my family.
