It leaves me in a nasty  
hole and as yet have  
not solved the problem  
— if I fall down I  
may wish to talk to you  
about it but not before  
just in middle of next  
week.

It is hell how many  
tough things can happen  
all at once.

I'll not keep you waiting  
on the \$400 or the Lawrence

Walt on theirs if I am forced  
to commit murder.
