

a big "kick" out of sports -  
of nearly every kind except auto-  
races. They are mechanical and  
none seem as good to me as other  
Contests.

No I think we will not go south  
or any place very far away. as it  
seems we can take better care of our-  
selves here at home. where we have  
the things to take care of ourselves.  
near at hand. The sun shines brightly  
today and it was 72° in our dining  
room at ten A. M. this morning.

Wm has such terrible headaches every  
once in a while, much too often, and  
no one seems to know just what  
causes them. Both the old doctors Thab  
and Birse have almost retired.  
Neither are very well. Several new doctors are  
located here now, also one in Dr. Carter's place.
