

Mr. Wilson of St Paul takes an  
active part in politics.

Florence and Belle Booth live there  
now - in interest & call on them  
the next time we are in St Paul.

Mary-Jane wrote a sweet little letter  
telling of their "good news" and I  
think it is only for them - and  
trust everything turns out well for  
them.

If you folks are with us tonight  
I could give you a choice of fresh  
crab - chickens - or have also fresh  
mush rooms - and Dr. just called  
before coming out to see if he should  
bring something - the answer was No  
He also has fresh crappers  
which Hammond Wade caught  
through the ice. That was a failure
