

in Air service - he was a fine
young man and we hope has
a bright future. he left with the
respect of everyone in the place
he had - there is scarcely a little
place. Now if we could only
get another good German girl
who would stay with us until
we did it would be great.
Our couple insists - they are going
to get us a cabin, in Fla., about 40
miles from Miami - The two bed-
room ones are 10⁰⁰ a day without
board - and if I had to do house-
work down there I might as well
do it here. where I have things
convenient. It is getting colder every
minute - but it won't last only tonight
tomorrow it is to warm up again.
