Dear Janet,

I just received your letter, which I shall take out to Gertrude in a few minutes.

We notice the basketball scores from day to day to see how Minneapolis is doing and it seems to us that she is winning a large percentage of her games. Give Mike a pat on the back for me.

Your mamma showed the greatest improvement yesterday, I think, over any day since she came home. She sat up a while and walked around her room a bit. She thinks that by the middle of next week she will be able to come home and look after herself without having to have a nurse.

I know she will be glad to see you at any time you can come down.

Love to all
