

the "mostest & bestest" - love  
to my parents Dad -  
Dorothy  
Blanche -

you - remember?

I love you very much and shall  
be with you a lot this fall, but  
since Janet & Dada are both  
coming up & Eileen will be here,  
I believe I'll not try to come this  
summer - of course if you are lonely  
& need me, I'll be there at once!

My best love to the Freemans  
& to Margaret -
