

well & plans to not only write out
some letters but is going to
see so many & see her. She says
140 pounds but says the doctor
says she is fine.
Pat is not so well about the
class & Hepatitis coming &
Minnesota. They would a place &
stay & it is in any to at Island
view & no other. They are good
I can't see if they come see you
I know you will gladly greet
them & they don't need to be
entertained, but they are fine folks.

ask me out etc. Last night had dinner
at the club with Lucia & tourists, and
Dr. Bernardi brot me in a nice supper.

Got my first letter from Pat today
written Friday. He had had some
excellent fishing at Wagon Wheel Gap,
but was in Gunnison getting stocked up
on supplies for No. 4 cabin when he wrote - also
getting his car checked up. His skin condition
is about the same & he was taking plasma
Saturday. I wish I am anxious to know
how he is after that. His last reactions
had been very bad. He says he is eating
