

It is so discouraging  
Lileen says John is better

& I'm so glad it wasn't too serious  
of course, stitches are always serious

Love you so much & will see  
you soon - I hope - Am going to  
get my hair done now - then to  
the dress makers & then pick up  
mother & bring her out for  
supper -

Much love -

Bianca -

Miss you!
