

To see if we can find any interesting rental property or small desirable house. Pat has been working in the yard, spraying, re-planting & seems tired today. He just went down to get his B.1 shop. He is being good about his diet.

We went to the ball game last night & saw ^{such} a boat in San Antonio. The ^{camp} any has a boy this year so will go next year. I just remembered you

I have had with Doerfer for almost a year. An other ^{things} together have been under duress & hurried.

I have been head over heels in little jobs, cleaning drawers, closets, mending, putting up berries & jamcapples & general household duties, since, returned each day I thought I'd write but haven't done so until now.

This afternoon, I'm going out with a Real Estate man
