

I am enclosing a note from
Margaret Reineke Comery
which I think you would read.

I certainly enjoyed the
Pittsburgh Herald's columns
about you & have given it to
several to read. So many
my friends have mentioned
having heard from you at
Christmas time & how fine
you were.

I'm so pleased over Doefler's
new honor. Was this invita-
tion issued from Admiral
Denfield's just wish is the
purpose of the trip. It is
a marvelous opportunity &
I know he is worthy of the honor.

right - I am so glad to see the honor come to
you & am ever more and do
appreciate and thank you - I can
never tell you how wonderful I think
you are for many reasons, but
you & mother are so generous and
glamorous every thing so wisely.
I'll thank you again next Wednesday
week.
We have been working in Memphis
