Wymore, Nebraska

My dear Children:

I put in a call for you a few moments ago in order to find if you got home alright, and someone at the home told central that you were in Beatrice, which indicates that you got home safe and sound.

I want to thank you for the beautiful box of candy which I found on my desk this morning. I think all the girls in the office enjoyed it with me.

Please give my love to each of your fine boys.

Lovingly,
