Mr. and Mrs. Don A. Freeman
Route 6
Brainerd, Minnesota

Dear Don and Grayce:

Will you please give me an outline of Don's family. As you have no children there will be no lines carrying on who would be interested in a detailed extension of Don's parents and their forebears, but I do think it would be well to give his father and grandfather and note where they were on both his father's and mother's side.

A brief mention of two or three generations might also be made of Warren Stewart, his children being the only ones to carry on. Under the circumstances, while I am perfectly willing to give the Stewarts a copy when published, it is not necessary to do so. I merely mentioned this because such a book should contain the ages of those mentioned.

This is the first day of December and it will not be long until Christmas.

I am always glad to get letters from you.

Lovingly,
