My dear Collier -

We have been having a spell  
of heavy rains and everything is soaked.  
Yesterday after a bad night the sun  
came out and we had the first  
frost deep in almost a week! but  
last night it commenced again and  
today it is pouring down - If you  
were near it would be a first day  
for visiting - Wonder if you know  
how much I love you and how  
and how I love you. I can not  
express my feelings as sister Julia could.
