

MRS. DON ALFRED FREEMAN
TREE TOPS, GULL LAKE
BRAINERD, MINNESOTA

Sept 13 - 49

Aunt Polly -

Your² good letters received and I
have answered the first one, which you
doubtless have by this time.

You certainly are a good
"picker". Your Mr. Miles is working
one here now and so far, is one of
the best everyday workers we have
had. He seems very steady and
gets things finished.

It would be fun to visit with you
everyday for a little review of the
days done.

Mrs. Wilcox is a little better and
she told I wish that Wilcox could
not be kinder to her than he was at unaged.
