MRS. DON ALFRED FREEMAN
TREE TOPS, GULL LAKE
BRAINERD, MINNESOTA

Feb 25 - 49

Dear - dear Collier -

Your good letter helped
us more than anything - for I thought
if we can all tell Collier to be "brave"
over what you have had to bear
we certainly should try to keep our
troubles to our selves -

Having Raleigh the evening of the 21st
made my birthday a very sad
one. despite the cakes and flowers
which were so kindly sent.

I took part of the lovely flowers
from Marie andolph, over to Mrs.
Braunstein who has been in the
hospital and only home two days
she had "shingles" but is better now.
