

MRS. DON ALFRED FREEMAN
TREE TOPS, GULL LAKE
BRainerd, MINNESOTA

We leave Tuesday A-M. for the
Twin Cities, stopping on the way to
see Grace Gardner Freeman who is
quite ill and has a very bad heart.

Are you planning to go to Tulsa
to Marilyn's wedding? and are the
girls Janet and Dorothy going?
Please and let me know. I do not
know for sure, if Don and I can make
it, but if we do shall likely fly.

It's been such a long winter but
not bad blizzards here but plenty
of cold weather, and a good deal of
sickness. The Packes leave for Mexico
tomorrow. Norma not at all well.

Love to Marie and I am writing her later.
We love you so much and shall try to prove it
where you are here - I need Don.
