Dear Dad -

I was happy to receive your note and to hear you had a good Thanksgiving day. He went to Ellsworth to see Mpls. H. S. play - then ate dinner on my way home in the Pherson. He took a lunch of fried chicken and sandwiches to eat at home. It was fine to have the children home and I really enjoyed them - Saturday I got a Thanksgiving dinner for us at home - as they had to go back Sunday on the train - it hurries us to have a noon dinner -

I am planning to be in K.C. for the week end - am going down on the train Friday morning. Mac is sending Evan Cornan & Hoy to an income tax meeting in me and needs the other for himself.
