

June 20, 1949

Mrs. L.A. McNalley

Grayce always speaks so appreciatively of Mike as she has had occasion to know him much better than Mary Beth. By the way, I triedd to have Mary Beth as a member of our dinner party but found she had a date with Miss Zillner at Tongonoxie.

I am always glad to hear from you and to see you.

Much love to all,
