

May 30, 1949

Mrs. L. A. McNalley
Minneapolis, Kansas

Dear Janet:

I made a note on my memorandum to have you call Fred Ellsworth if you stayed over, and I forgot to call it to your attention.

I don't know what he had in mind, but you might drop him a line telling him that I had written you about it.

I am sorry that you had any trouble on your way home but glad that you had a good man with you to take care of it.

Love,
