

us at their "Government House" - In all we have
 been received in 39 homes. - That is where you get
 to know the people. I am speaking to Retay here
 on the 15th, on "Christmas around the world". It is
 Ladies day - and it's our fortieth wedding anniversary.
 Chitena is having a great time - though cold weather
 in the South has kept us with lamb ticks. Today
 we reach 43° South Latitude - our furthest South.

Our address remains, Carl American Consulate, Melbourne
 Australia until March. We then sail for London. Will
 camp at the Cumberland Hotel in London and expect to
 land at Montreal May 30th. making the trip over on the
 Empress of Canada. This gives 5 weeks in England &
 vicinity. We expect to buy a new car and reach Berkeley
 about July 1st. Will plan to attend my University Commencement
 in Vermont in early June. With sincerest holiday wishes and
 love from both Phil and myself. ^{as ever} Karl F. Baldwin
