

at College and the few
times I've seen him he
is pleasant, almost trusty
firm, unyielding in forestry
and following it with
a big firm in Memphis
Tenn! and that is where
they will live, which means I'll
be alone but will try to
remember she has some
one to care for her as I've
done since she little
over eight -

She is well thought of and
loved here - never given
me one hours trouble.
She will be twenty two in May
