TREE-TOPS — GULL LAKE

BRAINERD, MINNESOTA

Dec. 3 - '49

My dear Collier —

Wm and I wish to thank you Maister Dolfh
for the lovely lamp. you were so nice to send
us for our anniversary. It sets in the cratic of
the gate-leg table and adds charm and dignity to
the room — as well as cheer to the people.

who see it from the lake.

You will be surprised to note our lake is
still open and some days I have counted
over seventy-five ducks playing and enjoying
themselves. knowing they will not be shot at
from our place.

A few days ago I was working in the
kitchen and heard the service door. The outer door —
open and thought it one of our men. although
they always use the Chimes. I stepped to the door
and saw a stranger as large as Dolfh. I tried
not to let him in, but he used his foot in
the typical Fuller Brush Man style — and forced an
entrance to the dinette room
