Mr Collie Simons

Dear Mr Simons - You will
no doubt be surprised to call
me by another name besides
Mr John North
which you and all my friends
have known me by for years
my name is now

Mr Hill Edmondson

of King City Mo R 2

I met Mr Edmondson last
winter when he answered a
Post Card I showed request
for me during the time
I had broken my arm
on ice in Feb.

He is a very nice man
