

I was asking too
much for you to run
this story. The reason
I didn't write you personally
I knew you were a very
busy person, so just
submit it to the paper.

I expected to drive back
to Lawrence this month
but I wasn't feeling too
well and my doctor advised
against it. If my health
permits maybe I can come
in May next year.

Hope this finds you en-
joying good health.

Sincerely
J. C. Pine
