

June 1, 1949

Mr. Dolph Simons
The Ambassador Hotel
Los Angeles, California

Dear Dolph and family:

There is no special news. Everything is running smoothly.

Otis got an A, B, and C on his examinations. We enclose a card giving Dolph, Jr., his grade.

The lineage report for May is as follows:

Total Local.....	29,624 inches
Journal-World.....	261 inches
National.....	<u>3,512</u> inches
Total.....	33,397 inches
National Gain.....	652 inches
Local Gain.....	1,848 inches

Mrs. Maxon, who was our Society Reporter for a short while years ago, dropped in to see us today. She now resides in Long Island.

Janet and Mac have written they will be here next week end for the twenty-fifth reunion of their class at K.U.

The weather--as usual--sunshine, red hot, clouds, and a little rain.

Can think of nothing more important to tell you except that we believe the west has not received a more distinguished group than you will have on your entry.

With the good wishes of all, and with my love, I am

As ever,
