Mrs. Will Johns
1036 Connecticut Street
Lawrence, Kansas

Dear Mrs. Johns:

The death of your splendid mother occurred during my absence from Lawrence, and I am wery happy that Dolph looked after sending flowers and being present at the funeral services.

Your mother was a very worthy and outstanding woman, who had been blessed with a splendid mind and body in order to round out nearly a full century of life, and she has left in you a most worthy daughter and successor.

Sincerely

W. C. Simons
