

Henry Las here have
often enough so he can
get around, and we
have now had a
trip for some time.
So we see thoroughly
enjoying seeing the
big City.

We wanted to go up
into Communist
and see Wang and
Mitchell and the
place where my
people were for
But none of them
are left, in Japan
& it is quite a distance
also still under us
there, they tell us - so
we think it best be
