

now - While we lived in Miles City
Montana - we belonged to "The Tender
O' Clock Club" which met every two
weeks and was always formal
and when we lived in St Cloud
there were always occasions for
formal parties - many more be-
fore the war than there are now.

As I think of it you and your
family have always seen us in
the summer time when sport
clothes are worn instead - well
maybe we will get together in the
winter - sometime - and then you will
know that we also make suitable
things for the time and place.

It won't be long now before you will
all be up here and we may have
some good visits - With a great deal of love always

Frances and Dan
