Mr. J. L. Frazier

air in which he was the only civilian guest of the United States Navy. The trip was made in a Naval plane. He speaks tonight before the Lawrence Rotary and has a total of something like 30 speaking dates ahead of him. Dolph was only a small boy when you left us.

I have a young man and his wife, Mr. and Mrs. Owen King, living in the home and looking after it for me. He is a graduate student at the University and she has her Masters Degree from Ohio University. They are a fine young couple, and Mrs. King keeps the house in nice order and thoroughly understands cooking and household manners.

If I remember correctly, your daughter was only a baby when you left Lawrence. I remember Mrs. Frazier as a very fine looking young lady and blessed with a perfect set of teeth.

With very best wishes for your future health and prosperity,
I remain

Sincerely yours

W.C. Simons
