

every other way to fill their position.

How is business in Lawrence?
The picture here is that all business is very slow with some fields hardly doing anything at all. Some retail business is expecting better sales but others are skeptical.

Pat is feeling fine and she enjoys the two-day week-end she has with her job here. We've fixed the room up quite a bit and plan to do more - painting, etc.

Say hello to the family for us. Take care of yourself now —

As ever —
