Dear "W.C."

That was a wonderful thing for you to do. I am referring to the treats that you provided for the members of our Junior High School "Pep" band. It was surely appreciated by them.

I can assure you that I am happy about it also. We take pride in our schools and when members of the community unite with us on certain projects, it is, we think, wonderfully fine personal and public relations.

Very sincerely yours,

Ralph E. Graber
