Mr. and Mrs. Fred T. Brooks
1038 Tennessee Street
Lawrence, Kansas

Dear Mr. and Mrs. Brooks:

It was very thoughtful and kind of you to send me Valentine greetings.

Mrs. Simons always attended to sending valentines at our home and in trying to carry on this year, I probably have omitted sending some that she would have sent.

I appreciate your thoughtfulness and I am enclosing a dollar bill for which I would like to have you buy something for either Dayna or Robbin.

I understand that Fred is getting along well with his school work for which I am very glad.

With best wishes to you all, I remain

Cordially yours

W. C. Simons
