

+ Gertrude was ready to go. And as
Mr. Bronside of Moody [&] ~~Paternal~~ ^{Paternal} ~~Mace~~
said this stay on earth is so short but
our life in heaven is for ever. So it is
a comforting feeling for us all to know
we will be reunited when the Lord is
willing.

We are both well. George will
enter the hospital this afternoon to
have a Hernia operation. But we do
not look for any trouble as all tests
were perfect heart lungs blood
pressure all normal. But it just takes
time that it makes it very hard to
get this time as he is in the midst of
building three plants.

We do hope to get to Lawrence in
the near future and will surely see
you. No come to Corpus.

Sincerely, Anna + George Mills
