Mrs. Ruth Lefholz  
Baldwin, Kansas

Dear Mrs. Lefholz:

Noticing your name among those having been admitted to the hospital yesterday, I called up last evening to inquire about you and found that you had broken a wrist.

I am extremely sorry, particularly so as I know how much depends upon you.

I hope that Mr. Lefholz is better. Is there anyway in which I could be of help to you at this time? I appreciate very much your kindness to Mrs. Simons.

Sincerely yours

W. C. Simons
