Dear Collie:

Am enclosing check for the cards. Have had very many compliments on them, and they certainly were made up very nicely.

I know you have been away over the holidays, and trust you are back and in harness again. I always feel better when I am working.

Please do not overlook letting me know what is due on the wreaths for my share. per our conversation when riding with you last time. Julia would rather have it that way, as you well know.

Love Bro. Chas.
