Dear Grandad,

I want to thank you for the wonderful Christmas presents you gave me. That #10 came just at the right time, for I was broke after buying all my gifts, and the necktie is so pretty. I wore it last Wednesday night because it goes so well with my suit, and everybody remarked about how well they liked it.

I plan to come down to see K. U. play sometime this month, and will see you then.

Come and visit us soon.

Love

Mike
