

on the little plot in  
the urn garden near a  
beautiful waterfall. From the site we  
can see San Francisco and the Bay  
Entrance leading out across the Pacific.  
We asked for no flowers for the services  
and are giving in Chandler's name,  
the equipment for the Lord's Supper for  
the new chapel where our memorial services  
were held.

We almost had a little "Valentina"  
born in family. Karl's little daughter  
Came about four a.m. on Feb. 15th.  
She is a well one, but doing nicely.  
My chief avocation, since mid February  
has been "baby sitting" with Frank  
who will soon be three years of age.  
He gets along well - but he does keep  
me occupied.

Friend Angus - Rotary World President,  
Came in recently and left this morning
