

coming and seeing  
lunch again. We  
will only be there  
for 9 hrs. but will  
make the most of those  
two days.

Wayne is coming  
with me - you won't  
know him! I'm ex-  
claiming a picture - not  
as recent as I wish  
it were but a pretty  
good one. He walks  
all over the place &  
is learning to "eye-eye"  
and also somersault.  
He weighs 20 pounds  
now - his feet a nice  
size.

Will make this a  
charming scene will  
all be seeing you  
very soon. Looking  
forward to it very  
much. Hope you're  
feeling top top now.

Must love,  
Billie
