driving.

Mike & Mildred write they are enjoying a leisurely trip thru the East. Nancy sailed Aug 24th for 4 months in the continent. They should be stopping N in Brainerd to see you pretty soon.

Give all the Doerfler Sisters our love & keep us informed in regard to the boys military status. Owen & Bob are both in the Reserves & Carl is trying to line up a commission so that he will not be subject to the Draft. The whole situation is maddening.

Pat continues to improve. His edema showed up again so doctor went the A.C.T.H. dosage, but it seems to be receding. They seem to feel assured now that the proper dosage will be between 20 & 25 mgs - a day.

Must close & write to my daughters I've been neglecting them too -
