

Dearest Folks - ~~the~~ Friday 7/21

Just received letters from
Dada + Dad + as I am on my
way to Beauty Paula will write +
mail this card. It's still raining
here + Pat can't get out altho'
he feels good + is still improving
but the D^r. says "be quiet as possible"
His blood pressure is quite high
due to A.C.T.H. Start on second
batch soon + its really helping.

Marilyn goes home tomorrow +
well really miss her. Ruby also goes
on vacation for 2 weeks + that's a real
catastrophe.

Dad, do take your medicine because
I believe after all, the doctors know
best - Pat agrees. ^{Get away if you can.}

Sony Jonnie had needles but
glad they were so light.

When are the Johnsons August
birthday? M's date is 26th but she's
ready now. Love you all so much.
Devotedly Blanche.
