

but we don't want to do the wrong thing
I thoroughly enjoyed our good visits and
being with you. It was wonderful eating
Margaret's good meals and not knowing what
I was to have until I sat down. Aunt
Laura took good care of them here & seemed
to enjoy being here.

I expect to see you in Minneapolis
for the wedding. I'm flying to Wichita
Friday morning & driving over that afternoon
home with Helen. She'll accompany me to
Dubuque Saturday night & spend a week when
Paul will join her & return with their gifts
still stored here in a closet.

I am looking forward to seeing you
the week end of the 24th & hope your
plans work out to that effect. Remember,
you can fly to Minneapolis right from Dubuque
if you desire. Same plane that you catch
in K.I. I think about that.

I love you so much & always enjoy your
good company. Hope you have fun "Belly"
& that things work out fine for your future.

Looking forward to the 24th & that plenty
of room for all - Devotedly Blanch.
