

Wednesday

Dearest Dad -

We are still just  
plugging along - good or bad.

I have been very busy & haven't  
written any one. Helen called  
me last night so check with her  
altho there is no news.

Owen & Marie are O.K.

altho my only information  
is via Marilyn. They have  
no plane as yet but their  
furniture arrived Saturday &  
Owen got things in order Sat &  
Sunday. Marie is fine. They all  
expect to come home Easter.

Love you loads & do miss seeing  
you. I am fine but have a  
heavy heart. Went to the  
Philharmonie concert last night  
& am going to a Catholic Ladies  
Style show with Leonore Lattel  
on Friday. Will write a letter  
soon. All my love. Blanche.
