Dear Dad —

Happy Valentines Day today.
My sweet husband sent me a
lovely orchid which I wore to the
Philharmonic Concert last night. Went
with Helen Riggs & heard Szymon Goldberg
Violin Soloist. Simply Wonderful! -

I am enclosing the information
on the Riggs family. Hope it's what
you want. Guess we are 5th cousins due to
Gov. Bradford in both families - Helen's
father, Morrison, attended N.U. one year -
at age of 18.

Pat seems to be improving again
after a few bad days. The Red cross
bed places on his hips & back a month &
now were opened again.
